

**Na ja tu doorNa ja tu door akhiyon se
Ki nai jaana, nai jaana
Ke tutt jaaun main
Dil se door tu nai jaana
Nai jaana
Kya hai ab tere baad mera
Tu milna paaya pyar tera
Tu raha na jo yaar mera
Haan pyar mera
Tujhe kadar nahi ek baar meri
Jo maine ki har baar teri
Ro ro ke thak gayi akhiyan meri
Mere yaar na ja
Ni mere yaar na ja
Subah se shaam tak dekha tujhe
Soun nahi soun nahi
Haan mere paas hi reh jao na
Yahin kahin yahin kahin
Main ho gayi hoon khud se bekhobar
Khoya maine sabar yeh tera hi asar
Tere liye bhooli main yeh jahan
Na jaane tu kahan gaya oh humsafar
Yaar na ja
Tu rok na mujhe hai jeena tujhe
Mujhse judaa mujhse judaa
Tujhse nahi hoon main**

**Main to khud se hi hoon khafa
Main hoon khafa
Tootega dil na kabhi aisa kar
Jo kiya tu agar main jaaungi bikhar
Tere bina kya mera hai yahan
Tujhi mein hai jahan
Kyun hai tu bekhbar
Ni mere yaar na ja
Nahi jaana!
