

baaten ye kabhee na too bhoolana

koe tere khaatir hai jee raha

jae too kaheen bhee ye sochana

koe tere khaatir hai jee raha

[too jahaan jae mehafooz ho] x2

dil mera maange bas ye dua

baaten ye kabhee na too bhoolana

koe tere khaatir hai jee raha

jae too kaheen bhee ye sochana

koe tere khaatir hai jee raha

hamadard hai hamadam bhee hai

too saath hai to zindagee

too jo kabhee door rahe

ye hamase ho jae ajanabee

[tujhase mohabbat karate hain jo] x2

kaise karen ham usako bayaan

baaten ye kabhee na too bhoolana

koe tere khaatir hai jee raha

jae too kaheen bhee ye sochana

koe tere khaatir hai jee raha

jaagee bhee hai roee bhee hai

aankhen ye raaton mein mere

kyon har ghadee milake tujhe

lagatee rahe bas teree kamee

[ham to na samajhe tum hee kaho] x2

kyon tumako paake tumase juda

baaten ye kabhee na too bhoolana

koe tere khaatir hai jee raha

jae too kaheen bhee ye sochana

koe tere khaatir hai jee raha
