

**Teri meri aisi jud gayi kahaani
Ke jud jaata jaise do nadiyon ka paani
Mujhe aage tere sath behna hai**

**Jaana tumhein to hai teh bata jaani
Ke aye zindagi kaise banti suhaani
Mujhe har pal tere sath rehna hai**

**Tu kuchh adhoore se
Hum bhi kuchh aadhe
Aadha aadha hum jo dono mila dein
To ban jaayegi apni ik zindgaani**

**Yeh duniya mile na mile humko
Khushiyan bhaga dengi har gham ko
Tum sath ho phir kya baaki ho**

[Mere liye tum kaafi ho] x3

Ek aasmaan ke hain hum do sitare ke

Ke takraate hain toot'te hain bechare

Mujhe tumse par yeh kehna hai

Chakke jo do sath chlte hain thode to

Ghisne ragadne mein chhilde hain thode

Par yoon hi to kat'te hain kachche kinaare

Yeh dil jo dhala teri aadt mein

Shaamil kiya hai ibaadat mein

Thodi khuda se bhi maafi ho

[Mere liye tum kaafi ho] x4
