

# Cold water lyrics

**Everybody gets high sometimes, you know**

**What else can we do when we're feeling low?**

**So take a deep breath and let it go**

**You shouldn't be drowning on your own**

**And if you feel you're sinking, I will jump right over**

**Into cold, cold water for you**

**And although time may take us into different places**

**I will still be patient with you**

**And I hope you know**

**I won't let go**

# Cold water lyrics

**I'll be your lifeline tonight**

**I won't let go**

**I'll be your lifeline tonight**

**'Cause we all get lost sometimes, you know?**

**It's how we learn and how we grow**

**And I wanna lay with you 'til I'm old**

**You shouldn't be fighting on your own**

**And if you feel you're sinking, I will jump right over**

**Into cold, cold water for you**

**And although time may take us into different places**

**I will still be patient with you**

# Cold water lyrics

**And I hope you know**

**I won't let go (I won't let go, no no, no no no no)**

**I'll be your lifeline tonight**

**I won't let go**

**I'll be your lifeline tonight**

**Come on, come on**

**Save me from my rocking boat**

**I just wanna stay afloat**

**I'm all alone**

**And I hope someone's gonna take me home**

**Somewhere I can rest my soul**

# Cold water lyrics

I need to know you won't let go

I won't let go, no no, no no no no

I'll be your lifeline tonight

You won't let go

I'll be your lifeline tonight

I won't let go

I won't let go
