**I tell a nigga don't dick ride, don't blick ride**

**Leave it to the double thick thighs, twin sisters**

**Drop it down and wobble, wobble up, mami booted up**

**She get down and gobble, gobble up 'cause my money up**

**Slide, slide in the Bentley trucker, the Wraith trucker**

**Your bestie is a dick sucker, I big dub her**

**As-salama-lama alaykum, you big hater**

**You nothin' but a hater, hater, clout chaser**

**Now we catch him at the chicken spot, up a couple chops**

**Pop that nigga with a hundred shots, ra-ta-ta-ta-ta**

**DeDe made that nigga Diddy Bop, cha-cha-cha-cha-cha**
