dil mera hai naasamajh kitana  
besabr ye bevakoof bada  
chaahata hai kitana tujhe  
khud magar nahin jaan saka

is dard-e-dil ki siphaarish  
ab kar de koee yahaan  
ki mil jae ise vo baarish  
jo bheega de pooree tarah  
is dard-e-dil ki siphaarish  
ab kar de koee yahaan  
ki mil jae ise vo baarish  
jo bheega de pooree tarah

kya hua asar  
tere saath rah kar na jaane  
ki hosh mujhe na raha  
laphz mere the zubaan pe aake ruke  
par ho na sake vo bayaan
